

Transparent roller shutter SM4

The elegance of our transparent roller shutters puts every store and especially its products in focus and perfect perspective.

An eye-catcher in every shopping mall interior.

Transparent **roller shutter SM4**

The installation of our fully transparent roller shutters is carried out with utmost care.

Botched construction is foreign to us.

Transparent roller shutter SM4

Elegance and transparency, coupled with refined simplicity.

Therefore a rolling shutter by limtech!

Transparent roller shutter SM4

A pleasant, well-kept magazine and tobacco retailer.

limtech is looking for you as its customer!

Transparent roller shutter SM4

The installation of our transparent roller shutters fits smoothly and easily into any interior. The appeal and resulting attraction of a retail store is increased by transparency.
